Children's Hospital Foundation.

A special
THANK YOU
to our sponsors

C4 - Centennial Charger Charity Classic Basketball Tournament

The C4 was first started in the fall of 2010. The intent was to create a unique basketball tournament environment that brought together some of the best competition from around the province – both big cities and small cities. Ultimately, we wanted to do something truly unique in our community, and that meant more than just basketball...

There are two significant charity groups that our school has worked with since the doors opened in 2006: ***Holiday Family Hampers and the Children's Hospital Foundation***. It made logical sense to incorporate these charities into the tournament focus and the C4 has become one of a kind with its charity driven purpose.

Admission for the first day for the tournament is '5\$ Friday' (all day). There will be a silver collection at the door on Friday. You are also encouraged to bring a non perishable food item. Tournament passes are sold on Friday and Saturday.

To date, the tournament has raised over \$30,000 towards our charity goals and it is with the tremendous support of our school administration, staff, and students that this event has continued to grow. Many of our community businesses have been involved over the years and their support is greatly valued and appreciated.

We look forward to hosting another successful tournament event this year with the spirit of charity, service, and sportsmanship at the heart of it all. Best of luck to all teams participating and thank you for supporting our tournament!

St. Mary Marauders

Principal's Welcome Centennial Collegiate

Welcome to Centennial Collegiate for some excellent early season basketball action. There is nothing better than hearing bouncing basketballs mixed with the squeaking of court shoes on the gym floor to get you amped up for another exciting basketball season. After a couple of difficult years with the pandemic and few opportunities to compete, we are excited to welcome you back to our gym! The Charger Charity Classic is unique in the province as it combines a top-notch basketball experience with the philanthropic purpose of raising money for charity. The Saskatchewan Children's Hospital Foundation has been the benefactor of over \$30,000 to date and this year we hope to add to the total in a significant way. Centennial's own ACTS of Kindness initiative also benefits from the donations of food items as staff and students help create and donate to charitable organizations in our city. By all accounts the tournament is a win-win!!! Special thanks to Mr. Dawe and Mrs. Brimacombe co-chairs of the Charger Classic. Without their dedication and commitment this tournament would not be possible. With their guidance, the staff and students of Centennial have embraced this opportunity and have truly made it a community event. Thanks to one and all!! To the athletes and coaches, best wishes for a great experience. We hope to provide an environment that showcases athleticism and sportsmanship. To the fans, please enjoy the talent that is exhibited on the basketball court and be sure to cheer loud and remain positive! As you leave our school gym know that you have helped to make our school and community stronger. Have a fantastic tournament.

Wendy Benson
